

Privacy Policy of Evenzy.io online service

Evenzy.io website administration is obliged to maintain your privacy on the Internet. We pay great attention to securing the data you provided to us. Our privacy policy is based on [the General Data Protection Regulation \(GDPR\) of the European Union](#). The purposes, for which we collect your personal data are: improvement of our service, communication with visitors to this site, providing services associated with the website's specialization, and for other actions listed below.

Personal data storage and processing

We collect and process your personal data only with your willing consent. With your permission, we can collect and process the following data: name and surname, nickname, date of birth, e-mail address, phone number, address (city, country), Instagram link or account name, Tic Tok link or account name. Collection and processing of your personal information is carried out in accordance with the laws of the European Union and Ukraine.

A person creating an account for creating an individual or group application, purchasing tickets using the data of third parties, by posting personal data of one or more persons, must have official permission from these persons or permission from the official representatives of these persons to place personal data in the system in evenzy.io. Official permission can be requested by the Evenzy.io administration at any time. In the event that official permission is not granted for the placement of personal data of third parties, the data of third parties will be deleted without warning.

A person who creates an account to register one or more participants, purchase tickets, create group applications, by posting personal data of one or more persons, is not entitled to post personal data of other persons without obtaining the official permission of these persons or their official representatives. A person who creates an Account for the registration of one or more participants, registers one or more participants, is considered the official representative of the participants registered by him, and bears full legal responsibility for the placement of personal data of third parties in Evenzy.io.

The Evenzy.io administration is not legally responsible for the posted data by Users, however, it may delete personal data posted in violation of the Privacy Policy.

Data storage, alteration, and removal

The user, who has provided Evenzy.io with their personal data, has the right for their alteration and removal, as well as the right to recall the agreement to data processing. Time, during which your personal data will be stored is: time the personal data is used that is necessary for the website's main activity. After finishing with the processing of your personal data, the website's administration will permanently delete it. To access your personal data, you can contact the administration on: info@evenzy.io, viewing and editing personal data is available at <https://evenzy.io/account>. We will be able to pass your data to a third party only with your willing consent. If the data was transferred to a third party, which is not associated with our organization, we cannot perform any changes to that data.

Processing of visiting technical data

Records of your IP address, time of visit, browser settings, operational system and other technical information is saved in the database when you visit Evenzy.io. This data is necessary for the correct display of the website's content. It is impossible to identify the person of the visitor using this data.

Children's personal information

If you are a parent or a legal guardian of an underage child, and you know that the child has provided us with their personal information without your consent, please contact us on: info@evenzy.io. It is forbidden to enter personal data of underage users without the agreement of parents or lawful guardians.

Cookies processing

We use cookie files for the correct display of the website's content and for the convenience of browsing Evenzy.io. They are small files, that are stored on your device. They help the website to remember information about you, such as in which language you use the website and which pages have you already opened. This information will be useful in the next visit. Thanks to cookie files, the website's browsing becomes much more convenient. You can learn more about these files [here](#). You can set up cookies reception and blocking in your browser yourself. Inability to receive cookie files may limit the functionality of the website.

Processing of personal data by other services

This website uses third-party online services, which perform data collecting, independent from us. Such services include: Google Analytics , Facebook.com .

Data collected by these services may be provided to other services within those organizations. They can use the data for advertising personalization of their own advertising network. You can learn about user agreements of those organizations on their websites. You can also refuse their collection of your personal data. For example, Google Analytics Opt-out Browser Add-on can be found [here](#) . We do not pass any personal data to other organizations or services, which are not listed in this privacy policy. As an exception, the collected data may be provided on a lawful request of state authorities, that are authorized to request such information.

Links to other websites

Our website Evenzy.io may contain links to other websites, which are not under our control. We are not responsible for the content of these websites. We recommend you familiarize yourself with the privacy policy of every website that you visit, if such policy exists.

Changes to the privacy policy

From time to time, our website Evenzy.io may update our privacy policy. We inform about any changes to the privacy policy, placed on this webpage. We are monitoring any changes in legislation, which is related to personal data in European Union and Ukraine. If you have entered any of your personal data on our website, we will inform you about the changes in our privacy policy. If your personal data, and more specifically, your contact information was entered incorrectly, we will not be able to contact you.

Feedback and final clauses

You can contact the administration of Evenzy.io regarding any questions related to privacy policy on: info@evenzy.io If you do not agree with this privacy policy, you cannot use the services of Evenzy.io. In this case, you should avoid visiting our website.
